Keeping families close

2019 MILESTONES & ACHIEVEMENTS

Happy Wheels Cart Programme

From April 2019, we offered a positive experience for the children and their families during their visit to the Khoo Teck Puat-National University Children's Medical Institute (KTP-NUCMI) with the Happy Wheels Cart as we interacted with the families and served up simple treats.

RMHC Singapore's 1st Music Video

In celebration of RMHC Singapore's 30th anniversary, we launched our first music video entitled 'When Do I Let Go', an original song by singer-songwriter Yin May, about families facing tough times with their ailing child. (<https://bit.ly/3cHNSyB>)

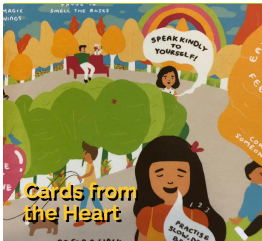

Family Respite Care Programme

In the third quarter of 2019, we collaborated with our hospitality partners to support families with sick children under the care of NUH Paediatric Home Care Programme through a staycation programme as a form of respite for them.

Fundraising Gala Dinner 2019

In November 2019, we raised S\$501,990 for RMHC Singapore through the sales of tables and the robust bidding during the Live and Silent Auctions.

Cards from the Heart

In collaboration with the Child Guidance Clinic at IMH, RMHC Singapore mailed out cheerful post cards periodically to children in need to provide emotional support and encourage resilience post discharge and in-between their outpatient visits.

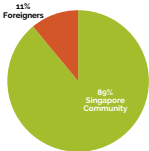

Volunteers Impact

In 2019, we had 112 active volunteers: 90 at NUH, 10 at IMH and 12 for the Happy Wheel Cart Programme. Out of 93 newly oriented volunteers, 73 remained active following training.

A YEAR IN REVIEW

From the birth of several new family-centric programmes to a record-breaking Fundraising Gala Dinner, 2019 was an eventful year for RMHC Singapore.

We sincerely thank all who've played a part in helping us to reach our goals, making 2019 truly fruitful!

MAKE A DONATION

Help us bring a smile to the families caring for their sick children.

If you're able to help in any way, despite these challenging Covid-19 times, we would so appreciate it.
