# RMHC Singapore Newsletter

4th Quarter 2021

Dear <<First Name>>

2021 has been yet another year of disruptions due to the pandemic, but we are glad to have the invaluable love and support from individuals such as yourself.

Keeping families close to their seriously ill and hospitalised children remains our key focus especially during these challenging times.

This holiday season, please open your hearts and wallets and give generously to those in need.

## And for those for who want to go a step further:

You can create your own Facebook fundraiser and share it with your friends and families. Creating a fundraiser is easy and we welcome fundraisers with any goal amount.

Your generous donations will go towards providing the basic necessities of our families such as the purchase of groceries and supplies for the Ronald McDonald House and Ronald McDonald Family Rooms, and also help fund our "Paediatric Happy Snack Packs Programme" that brings joy to the little ones warded at NUH and IMH.
