Dear <<First Name>>

Hear from our Beneficiaries

Siti and Suhaimi found themselves a "second home" with us while their young daughter, Amira, was admitted to the Paediatric Intensive Care Unit (PICU) at National University Hospital. Read on for how the Ronald McDonald House and Ronald McDonald Family Room provided them with much needed respite through this challenging period.

RMHC Family Day Out In Collaboration with Northern Trust

During the school holidays, we headed to catch *The Garfield Movie* for our annual RMHC Family Day Out. Together with our partners at Northern Trust, we hosted 19 past beneficiary families to a lunch reception before heading into the hall, armed with snacks (Garfield-approved!) for a fun, fuzzy time.

A huge thank you to Northern Trust for being such great partners in helping us pull this special day together for our beneficiaries!

Our Family Respite Care Programme is Back!

We are delighted to share that our Family Respite Care Programme is finally back! The programme caters to families with sick children under the care of National University Hospital's Paediatric Home Care Programme, to support them in their caregiving journey by alleviating some stresses through a staycation.

This June holidays, our hospitality partner The Fullerton Hotel, hosted 2-year-old Emmanuel and his family. They had a fun-filled time bonding over activities and scrumptious meals together, and also visited Gardens By The Bay.

Speaking about their experience, Emmanuel's mum Siang Hui said "It was very fun. My children enjoyed their time so much – from the heritage tour to swimming with a view at The Fullerton Bay Hotel. We were very well taken care of by the Fullerton team and deeply enjoyed this meaningful weekend which means a lot to our family."

Interested to partner us to for more beneficiaries to enjoy this experience? Write to us below!

What a fun time at the American Association of Singapore's 4th of July party with our beloved partner, Roberta's Pizza! We are grateful to everyone who bought a pizza in support of RMHC and helping us raise more than \$2,000 to continue keeping families of critically-ill children close to their place of treatment.
